The screenshot shows the CPMS login interface. On the left, there is a header with the ERN logo and the text 'Clinical Patient Management System (CPMS) IT Platform for Clinical Consultations between ERN Members'. Below this, there are several paragraphs describing the system's purpose and supported browsers. A central graphic shows a network of icons representing various medical and administrative functions. On the right, there is a 'Secure Login' section with a 'Login via EU Login' button and a list of instructions for users.

**Supported Browsers**  
Please make sure you are using the latest version of Google Chrome or Firefox to avail of all CPMS functionalities.

Working for patients with rare, low-prevalence and complex diseases  
**Share.Care.Cure.**

**Secure Login**  
You can Login to the CPMS ERN through the EU Login Authentication Service.

**Login via EU Login**

- Video: Getting Set-Up and Logged In to CPMS
- Only ERN members and ERN guest users can be authorised users of the CPMS.
- To access the CPMS you need to have an EU login. To create an EU login, [click here](#).
- To request authorisation to use the CPMS, [click here](#).
- To request access to the ERN Collaborative Platform (ECP) to exchange non clinical data with the other members of your ERN, [click here](#).
- For more information on the European Reference Networks, please visit [ec.europa.eu](http://ec.europa.eu).

\*If you cannot remember your password please click on “**Lost your password?**” to receive an email to you email address with the link to set a new password.
