

## Meeting Clause - TransplantChild

For the purposes of compliance with data protection laws, we inform you that personal data which you have provided to us will be processed by Hannover Medical School (hereinafter “MHH”), addressed at Carl- Neuberg-Str.1,306025 Hannover, and Foundation for Biomedical Research of La Paz University Hospital (hereinafter “FIBHULP”), whose registered office is Paseo de la Castellana 261, 28046 Madrid, for the purpose of managing your participation in this meeting.

Your data will not be disclosed unless strictly necessary, required by law or by the competent authorities to fulfil the purposes described above.

No international data transfers are envisaged, however, in case of further international data transfers, you will be informed in advance. In such circumstances, international transfers will be made to countries that provide a level of protection in line with that of the European Union. If any recipients of personal data are located in third countries about which no adequacy decision has been issued by the European Commission, and they cannot provide sufficient guarantees to ensure an adequate level of protection, Foundation will guarantee the protection of your data by signing standard contractual clauses approved by the European Commission and implementing additional technical, organisational and contractual measures to ensure an adequate level of protection.

The basis for the lawful processing of your data will be as follows:

- ✓ Your consent, as requested below:
  - for the purpose of managing your participation in this meeting;
  - the capture and publish your image.
- ✓ Legal obligation in relation to the assignments to the Authorities required by law, if applicable.

Your data will be kept for as long as is necessary to manage your participation; as long as you do not withdraw your consent for the purposes for which we have requested your consent; and, in all cases, for the periods of time established by the applicable laws.

You may exercise your rights of access, rectification, erasure, objection and not to be the subject of automated decision-making or profiling, portability and limitation of the processing of your data by writing to:

- Hannover Medical School Hannover at Carl- Neuberg-Str.1,306025 Hannover or by sending an email to [transplantchild@mh-hannover.de](mailto:transplantchild@mh-hannover.de);
- Foundation for Biomedical Research of La Paz University Hospital at Paseo de la Castellana 261, 28046 Madrid, or by sending an email to [protecciondedatos@idipaz.es](mailto:protecciondedatos@idipaz.es);

for which we may request documentation proving your identity if necessary.

You are entitled to make a complaint to the relevant supervisory authority at any time.
