

3rd TransplantChild Workshop on “Tolerance in paediatric transplantation and Transition to adulthood”

Online 11th November 2021

Coordinated by Dr Paloma Jara – Coordinator of ERN TransplantChild

Thursday, 11th of November

8:50 - 9:00	Connection
9:00 - 9:05	Welcome <ul style="list-style-type: none"> ○ Dr Susana Noval - Deputy Director of La Paz University Mother and Child Hospital, Madrid, Spain

Session 1. Monitoring strategies in paediatric transplantation

9:05 - 9:25	Immune monitoring in paediatric liver transplantation <ul style="list-style-type: none"> ○ Dr Elena Sánchez Zapardiel - Department of Immunology at La Paz University Hospital, Madrid, Spain
9:25 - 9:45	Advances in tolerance detection and monitoring <ul style="list-style-type: none"> ○ Prof Alberto Sánchez Fueyo - Department of Inflammation Biology and Academic Director of the Institute of Liver Studies at King’s College London, England
9:45 - 10:05	Cell free DNA monitoring <ul style="list-style-type: none"> ○ Dr Licia Peruzzi - Paediatric nephrologist at Regina Margherita Children's Hospital, Turin, Italy ○ Monica Sorbini - PhD Programme in Biomedical Sciences and Oncology, University of Turin, Italy
10:05 - 10:25	CMV burden and monitoring after liver transplantation <ul style="list-style-type: none"> ○ Dr Emanuele Nicastro - Paediatric Hepatology, Gastroenterology and Transplantation department at ASST Ospedale Papa Giovanni XXIII, Bergamo, Italy
10:25 - 10:45	Discussion
10:45 - 11:15	Coffee Break

Session 2. Tolerance induction strategies in paediatric transplantation

Chair: Prof Anil Dhawan MD FRCPCH - Director Research and Innovation at King’s College Hospital, London, England

11:15 - 11:30	Introduction to tolerance induction strategies <ul style="list-style-type: none"> ○ Prof Anil Dhawan MD FRCPCH - Director Research and Innovation at King’s College Hospital, London, England
11:30 - 11:50	Treg and GvHD <ul style="list-style-type: none"> ○ Prof José Antonio Pérez Simón - Director of Hematology Clinical Management at <i>Virgen del Rocío</i> University Hospital in Seville, Spain
11:50 - 12:10	A new mAb tolerogenic therapy in organ transplantation, GvHD, and genetic autoimmune diseases

12.10 - 12:30	<ul style="list-style-type: none"> ○ Dr Ignacio Anegon - Director of Research Exceptional at INSERM-Center for Research in Transplantation and Immunology, Nantes, Frances <p>Organoids in kidney transplantation</p> <ul style="list-style-type: none"> ○ Dr Núria Montserrat - ICREA Research Professor at Institute for Bioengineering of Catalonia (IBEC), Barcelona, Spain
12:30 - 13:00	Discussion

13:00 - 14:30	Lunch Break
---------------	--------------------

Session 3. Transition and Transfer process round table

Chair: Dr Samantha J. Anthony - Health Clinician Scientist at The Hospital for Sick Children in Toronto, Canada

14:30 - 15:00	<p>Transplanted AYA's experiences related to Transition Process</p> <ul style="list-style-type: none"> ○ Rodrigo Adam, young adult ○ Sara Pastor, mother ○ Ruth Alcalde, mother
15:00 - 15:50	<p>How to ease the Transition to Adult care for young transplant recipients</p> <ul style="list-style-type: none"> ○ Dr Samantha J. Anthony - Health Clinician Scientist at The Hospital for Sick Children in Toronto, Canada ○ Erika Guijarro - Psychologist at Hepa association in the Paediatric Transplantation Unit at La Paz University Hospital of Madrid, Spain ○ Karin Edlund - Clinical transplant Coordinator at Sahlgrenska University Hospital, Gothenburg, Sweden ○ Dr Maciej Janik - Liver and Internal Medicine Unit at Medical University of Warsaw, Poland ○ Dr Marianne Samyn - Consultant Paediatric Hepatologist at King's College Hospital, London, England
15:50 - 16:30	Round table and discussion

16:30 - 16:45	Launch of educational videos for patients: TIPS
